CHICAGO'S RACING FUTURE

Plans for New Organization and a Racing Law Being Formed.

Important Conferences About the Establishment of North Shore Sporting Club.

The Chicago sportsmen who hold the idea of establishing a new racing plant of a high-class modern type in connection with a country club and golf course of excellence near Chicago and on the North Shore have recently held several local conferences with Hon. Johnson N. Camden, chairman of the Kentucky State Racing Commission and president of the new Kentucky Jockey Club, who was in Chicago on his way from Arizona.

As a result of these conferences a bill will probably be framed and offered to the Illinois legislature for early consideration. It will be built on the lines of the Kentucky law and, if passed, racing will come back to Chicago in a supreme way in 1920, by which time a wonderful establishment for sport in general and racing can be made ready.

This establishment will, if erected and equipped, cost more than a million and a half dollars and be complete in every club and sporting detail. Operation of the racing in connection with the new club will probably be by a specially selected inner organization to work as a jockey club or racing association, and the racing will be on the plan so gloriously followed at the old Washington Park Club meetings on the south side by the former Washington Park Club.

This will revive the American Derby and other great stakes formerly run at Washington Park at meetings of about thirty days' duration held in June and July of each year.

The Washington Park stakes were at their zenith in 1903, the last year of actual racing at that track, and were as follows:

Stake.	Distance.	Added.	Value.

THE RACING LAW OF KENTUCKY.

The Kentucky State Racing Commission operates under the Chinn bill, which was made a law in March, 1906, by the Kentucky legislature. The law is as follows:

An act to regulate the racing of running horses in the Commonwealth of Kentucky, and to establish a State Racing Commission and prescribing its powers and duties.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. Any corporation formed for the purpose of racing and breeding or improving the breed of horses and conducting races and contests of speed shall have the power and right, subject to the provisions of this act, to hold one or more running race meetings in each year, and to hold, maintain and conduct running races at such meetings. At such meetings the corporation or the owners of the horses engaged in such races, or others who are not participants in the racing, may contribute purses, prizes, premiums or stakes to be contested for; but no person or persons other than the owner or owners of a horse or horses contesting in a race shall have any pecuniary interest in a purse, prize, premium or stake contested for in such a race, or be entitled to, or receive any portion thereof after such races shall have been finished; and the whole of such purse, prize, premium or stake shall be allotted in accordance with the terms and conditions of such race. Such meetings shall not be held except during the period extending from the 1st day of April to the 1st day of December, inclusive, in each year. No running races are authorized or shall be permitted except during the period aforesaid, nor except between sunrise and sunset.

Sec. 2. A State Racing Commission is hereby established, to consist of five persons to be appointed by the governor, three of whom shall be breeders and raisers of thoroughbred stock, and no two of whom shall be members of the same racing association. The members of said commission shall hold their offices for a term of four years, and the first commission shall be appointed within twenty days after this act shall go into effect. Such commission shall appoint a secretary, who shall serve during its pleasure, whose duty it shall be to keep a full and faithful record of its proceedings and preserve at its general office all books, maps, documents and papers intrusted to its care and perform such other duties as the commission may prescribe. He shall be paid a salary to be fixed by the commission at a rate not exceeding $1,200 per annum, which shall be paid by the several racing corporations or associations, the amounts to be paid by each to be apportioned by the commission, which shall on or before the 1st day of December in each year assess upon each of said corporations or associations its just proportion of such salary. The commission shall biennially make a full report to the general assembly of its proceedings for the two-year period ending with the 1st day of December preceding the meeting of the general assembly, and shall embody therein such suggestions and recommendations as it shall deem desirable.

Sec. 3. Said commission shall have the power to prescribe the rules, regulations and conditions under which running races shall be conducted in this state, and no such races shall be conducted except by a corporation or association duly licensed by said commission, as herein provided. Any corporation or association desiring to conduct such racing may annually apply to the State Racing Commission for the license so to do. If in the judgment of the commission a proper case for the issuance of such license is shown, it may grant the same for a term of one year; and every such license shall contain a condition that all races or race meetings conducted thereunder shall be subject to the rules, regulations and conditions from time to time prescribed by the commission, and shall be revocable by the commission for any violation thereof, or whenever the continuance of such license shall be deemed by the commission not conducive to the interests of legitimate racing.

But if said license is refused or revoked, said commission shall publicly state its reasons for so doing, and said reasons shall be written in full in the minute book of said commission, which shall at all times be subject to inspection upon application of anyone desiring to do so; said finding of said commission shall be subject to the review of a court of competent jurisdiction; provided, that a refusal of the commission to grant to any racing association a license or to assign any racing association at least forty days in each year if desired for racing at such association, and the decision of such commission revoking any license of any association shall be subject to review of the courts of the state.

Sec. 4. Every running race meeting at which racing shall be permitted for any stake, purse or reward, except as allowed by this act, is hereby declared to be a public nuisance, and every person acting or aiding therein shall be deemed guilty of a misdemeanor and punished by a fine of not less than $500 nor more than $1,000 for each day of such meeting or racing; and in addition thereto, in a suit brought for the purpose by the State Racing Commission in the Circuit Court of the county where it may be proposed to conduct such unauthorized racing, an injunction may be obtained against the same.

Sec. 5. This act shall not apply to trotting meetings or races, nor shall it apply to racing conducted by any state, county or other fair association holding not more than one meeting annually and for a period not exceeding six days for such meeting.

Sec. 6. Inasmuch as there is no general law regulating racing in this commonwealth, and it is desirable that one should be in operation as soon as possible, an emergency is hereby declared to exist, and this act shall be in full force and effect from and after its passage.

HOPEFUL SIGNS FOR CANADIAN RACING

Sport Likely to Be Resumed at Conclusion of the Present Session of Parliament.

TORONTO, Ont., April 25.—As a result of an announcement in the house of commons at Ottawa today by Sir Thomas White, the prime minister, the racing situation in Canada has been somewhat cleared, but the actual date of the resumption of racing in the Dominion is still obscure, owing to the fact that racing cannot begin until the prorogation of parliament, which is now in session and which may continue to sit until June 1.

The Ottawa dispatch stated that A. E. Fripp of Ottawa asked in the house of commons today if the ban on betting at race tracks for the period of the war and six months thereafter would be lifted in view of the approach of the spring meetings. Sir Thomas White replied:

"It is not the intention of the government to repeal the order in council referred to. It has been drawn to the attention of the government that horse racing has been extended beyond the limits contemplated by parliament when legislation respecting the subject was enacted in 1912, and that conditions connected with betting on race tracks in certain sections of Canada have been such as to cause grave public offense to the communities concerned. With a view to remedying these conditions and dealing generally with the question of betting at race meetings in Canada the government intends before the next session of parliament to make an inquiry with a view to the enactment of such legislation as may be deemed advisable in the public interest."

W. P. Fraser, secretary of the Ontario Jockey Club, said this afternoon:

"In view of the information just received from Ottawa I would understand that the order in council ceases when the session of the parliament is at an end, which may be expected some time in the summer.

"The government introduced a bill a few days ago providing that all orders in council shall continue until the end of the session, which means that racing will be prohibited until the end of the session.

"There will be a meeting of the committee of the Canadian Racing Associations and the directors of the Ontario Jockey Club within the next week, when the matter will be discussed and a statement doubtlessly issued by them."

BALTIMORE'S MINOR TRACK TO RACE

BALTIMORE, Md., April 25.—The Baltimore County Racing Commission has allotted the five dates of May 20-24 inclusive to the Gentlemen's Driving Park track, and the usual popular half-mile racing should ensue.

The Pimlico Annex, as it is known among horsemen, situated just across the street from the larger track, has been the winter haven of almost all the horses which have wintered at Baltimore, and is today without vacant stall room. Superintendent Jerome Biggs reports applications for more than 300 horses during the park meeting, from among which will be recruited many of the former half-milers intended for Canadian racing in the event of a resumption of the sport in the Dominion. While the value of the purses has not been announced, it is probable that they will have an increased value over last year's, as has been the history of the spring meeting at Bowie and Havre de Grace, where the sport has enjoyed unprecedented opulence and where the horsemen have benefited accordingly.

MARE CAPRA HAS A FOAL BY PEBBLES

NEW YORK, N. Y., April 25.—James Butler's thoroughbred mare, Capra, by Ballot—Cap and Bells, winner of the Epsom Oaks, is reported foaling a chestnut colt, sired by the young stallion Pebbles. Capra during her career on the turf raced brilliantly for Mr. Butler, winning at two, three and four years old. At Jamaica in 1916 she won the Kings County Handicap at a mile and a sixteenth, defeating among others Roamer, The Finn, Boots and Short Grass, and equaling the track record.

OLD ROSEBUD RETURNS IN TRIUMPH

Noted Gelding Makes His Second Reappearance on the Turf Under Auspicious Circumstances.

HAVRE DE GRACE, Md., April 25.—Old Rosebud, Frank Weir's old gelding, the hero of many races east and west, came back to the turf at Havre de Grace today after an absence from the track for eighteen months in a five and a half furlongs sprint race that had some really good horses opposing him. Old Rosebud merely cantered all the way to win with his ears pricking and Dreyer looking back. Old Rosebud never looked better bodily. His legs were as clean, apparently, as when he was foaled. Since he was last seen on the track at Aqueduct a year ago last fall, when he won over good opposition, he has been turned out at Mrs. Livingston's Rancocas Farm. When he was taken up this year he showed no signs of lameness and Frank Weir has given the old horse a preparation that has brought him back apparently the same great racer he was in the earlier days of his career. It will be recalled that Old Rosebud once before was retired for a long period and when he made his reappearance won a long string of victories. His showing in his first race this year seems to indicate that the winner of the 1914 Kentucky Derby may win additional honors on the track.

Opposed to Old Rosebud were Commander Ross' three-year-old filly Milkmaid and Boniface, a four-year-old, which Ross purchased at Saratoga last August. They were the choices over Old Rosebud, and there were other good ones in the race, including Mars Mouse and Straight Forward. When it came to racing Old Rosebud dominated the running throughout. He was away in front, raced into an easy lead in the first eighth and only cantered the rest of the way, winning by three lengths. Milkmaid and Boniface gave chase, and these two, with Mars Mouse, were closely bunched to the stretch, where Mars Mouse dropped back and Straight Forward moved up a bit. None was able to overtake the speedy Old Rosebud, however. Right at the end Boniface rushed forward and beat his stable companion for second place, with Straight Forward only a head away fourth.

Today's racing was conducted over a drying out track, with clear but cool weather prevailing. The Kentucky Stable's Hidden Ship easily accounted for the juvenile race that began the afternoon's sport, while War God encountered no serious opposition in the second. Toadstool, Luther and Sylvano likewise had easy sailing in the fourth, fifth and sixth respectively. The final race fell to Prunes, which successfully resisted the best efforts of Puts and Calls in a fast finish.

T. Rowan was suspended for the balance of the meeting for crossing in front of the others with Capital City at the start of the fifth race.

SIR BARTON WORKS IMPRESSIVELY.

Between the running of the race the trainer, H. G. Bedwell, gave Sir Barton, one of Commander J. K. L. Ross' Kentucky Derby candidates, a try-out. Cudgel worked with Sir Barton the first three-quarters and Billy Kelly the last half. The fractional time for the trial was 23⅗, 47⅘, 1:14⅕, 1:40, 1:54⅖.

The two-year-old Carmandale in the R. F. Carman stable is a colt of tremendous power. According to Willie Doyle, who gallops the youngster, Carmandale gives as much as any of the older horses in the stable, and an extra large surcingle is used on his saddle. In his gallops Carmandale loafs along, and at the slightest urging he has always been able to shake off anything that has been worked with him. A reported offer of $15,000 has been refused for the colt.

Much activity still continues in the selling and claiming races at Havre de Grace. Fred Musante took Miss Bryn out of the third race yesterday for $1,340, and Sam Louis took Monomoy from J. K. L. Ross for $2,315. There were three other claims in for Monomoy. M. W. Buck, who contemplates racing a string in Canada, added the two-year-old Dots to his stable, which he secured by private purchase from the Beach Stable. Jack Dahlgren purchased the plater Zouave from J. F. Sweeney.

John J. McCafferty was a visitor at Havre de Grace yesterday. He is training three three-year-olds for Dr. J. S. Tyree and they are quartered at Pimlico. Sea Pirate is the only one of the band that has won, and the foreign-bred colt The Macnabb has never been to the post. Dr. Joe is the other one in the stable. The Macnabb is a tremendous horse, a jet black, and measuring fully sixteen and a half hands. He is bred on the same lines as Sun Briar on both his sire and dam's side, and is said to be a colt of much promise. McCafferty, who has trained many a good one, says that The Macnabb is not only the handsomest but the best dispositioned horse he ever trained. In the event of racing being resumed in Canada the stable will be shipped to Toronto.

News from Montreal is that the stables of W. R. Padgett has arrived from New Orleans, and the string that J. Hope is training for the Cuban, Col. J. DeEstrampes, has reached there from Havana. There are seven horses in the DeEstrampes string. Jockey Roy Ryan accompanied the Padgett stable from the south.

BUTWELL FOR BE FRANK IN DERBY

BALTIMORE, Md., April 25.—Jockey Jimmy Butwell's services for the Kentucky Derby are much in demand, and the good free lance has spent the last week deliberating which of five good offers he will accept. It is probable that he will be seen astride Be Frank in the Kentucky feature, as C. M. Garrison, owner of the Calumet Stable's candidate, in the belief that his contract rider, Cassity, might not be sufficiently experienced and strong to be intrusted on the occasion, has offered Butwell a large fee, together with a handsome bonus in the event of his victory. Be Frank's reported gallops of a mile in 1:41⅕ at Pimlico last week, and his general good appearance, will affect Butwell's decision, undoubtedly, though he has in consideration, among others, the offer of H. G. Bedwell to pilot War Pennant, which some regard the equal of his stablemate, Billy Kelly, over the Derby route.

CURRENT NOTES OF THE TURF

The four-year-old U Twenty-Three, which Kay Spence is training for W. W. Darden, bruised his right hind heel before leaving Havana and will have to be fired and thrown out of training for several months.

All told, St. Simon's male line descendants carried off no fewer than twenty-eight races in the first twelve days, inclusive of three under National Hunt Rules. These last, moreover, included such important events as the Grand National and the Liverpool Handicap Hurdle Race.

One of the smartest fillies of early English racing is Sun Moya, the daughter of Cherimoya, winner of the Oaks of 1911, by Sunstar. Sir Thomas Dewar bought Cherimoya in 1915 for $11,500, but had it not been for a delayed cablegram she would have come to this country for Messrs Corrigan & McKinney, who then owned the Wickliffe Stud.

LEXINGTON'S GOOD RACING

Second Day of the Meeting Brings Out Another Big Crowd.

Diversion Runs Fast Mile and Defeats St. Isidore—R. L. Baker Captures Two Races.

LEXINGTON, Ky., April 25.—Spirited racing was again the order here, witnessed by another big attendance. The finishes in each instance was of the close variety, with the winner in doubt until the official placing. The card was a fairly good one, bringing out some of the best that are in thorough racing condition. The colors of R. L. Baker was successful on two occasions, his good sprinter Tacola taking a speedy band into camp and Dr. Carmen also scored in splendid fashion over some fairly useful ones. The feature race, the mile purse, brought a good band and it resulted in a victory for Diversion, which raced to her best form and triumphed after a hard drive from St. Isidore, with Harvest King following and Free catter close up to the trio.

Will Perkins uncovered another useful youngster in his Mickey Moore, which accounted for the two-year-old race in runaway style, with Pyx in second place, H. P. Whitney's Splendor third.

Nepe, carrying B. J. Brannon's colors, scored a lucky victory in the opener and Brimful placed the first purse of the Kentucky season to the Waldeck Stable's account when she won the fifth race.

The final race found Regreso, an outsider, just lasting long enough to beat Kenward, the favorite.

W. Lewis, appointed as the official timer to record work trials for the convenience of the press and public, has appointed Frank McKenna and James Ackerman as his assistants.

N. Macfarlan was among today's arrivals from Montreal. He spoke optimistically of the prospects for a resumption of racing in Canada this year.

Edward "Snapper" Garrison, who is gathering a stable for Medford Jones, a wealthy Oklahoma oil magnate, is reaching out for the best to be had, but is intending to go slow with his purchases, preferring to see his prospective purchases giving a full demonstration of their ability before he begins negotiations for them. Up to the present he has only Thelma E., and she will be a starter in the Hinata Stakes.

George M. Hendrie, W. O. Parmer and David Gillies were arrivals today and will remain several days to witness the sport before going on to Canada. Mr. Hendrie has been at his Naples, Florida, lodge all winter and professed a lack of knowledge as to the Canadian racing situation, but is confident that there will be a resumption of the sport in the Dominion this year.

Henry McDaniel, in charge of the W. S. Kilmer owned trio, Exterminator, The Mormon and Vancouver, were arrivals today from Louisville, and the horses will be raced here.

ETERNAL NOT TO RACE HERE.

Eternal, Sailor, The Wanderer and others in the James W. McClelland string will be kept at Louisville and not raced here, according to the latest plans of the owner.

A colored exercise boy in the employ of B. J. Brannon had his arm fractured and sustained other severe injuries as a result of colliding with a pony while working Bell Boy this morning.

The arrivals today were B. Chapman with Arborvitae and Bogart; L. A. Seregni with Jack K. and Frank Monroe; Solomon & Jarmon with Lively, Blue Paradise and Tiajan; J. S. Whatley with River King and Amulet; W. E. Matthews with Duke of Shelby and Doily, and W. L. Overby with Dave Hogan.

Senator Johnson N. Camden, chairman of the Kentucky State Racing Commission and president of the Kentucky Jockey Club, is expected home from New York next Monday or Tuesday.

Everest, recently purchased by Treacy & Walker, arrived from New York last Saturday and now is in the stud at Kinney Nichols' farm. Fifteen mares have gone to his court.

Dan W. Scott today priced his good two-year-old Patches, brother to St. Bernard, to J. C. Milam.

Emil Herz' Cheer last night foaled a big brown colt by Short Grass. It is her first.

Jockey J. McIntyre has been given a temporary license. His application was tabled yesterday.

T. F. Bornman, whose license was revoked at Hot Springs, will be allowed to race his horses here under the supervision of a licensed trainer.

Harry Burgoyne was claimed by P. Dunne for $1,200 out of the first race.

Jockeys N. Barrett and Wolstenholm were each suspended for three days by the starter for disobedience at the post.

The following were the best work-outs at the track this morning:

Carrie Moore, half mile in 53⅖; J. C. Stone, half mile in 52⅗; Maud Bacon, three-eighths in 38; Capt. Rees, mile in 1:47; Precious, mile in 1:42; St. Augustine, mile in 1:41; American Eagle, mile in 1:43⅗; Sansyming, half mile in 49⅘; Loys, three-eighths in 38; Drummond, half mile in 52; Sun God, mile in 1:43⅗; Legal, three-quarters in 1:18⅖; Columbine, three-quarters in 1:17; Marmite, three-quarters in 1:18.

Westwood, three-eighths in 39; Cover Up, three-eighths in 39; Dixie Carroll, three-eighths in 39; Honor Man, five-eighths in 1:03⅗; Right Angle, five-eighths in 1:03; Jack Straw, three-eighths in 39⅖; Allah, half mile in 58⅗; Joe Stahr, five-eighths in 1:04; Surpassing, mile in 1:46; Cheer Leader, mile in 1:43⅗; Skye Ball, half mile in 53; Lady Mexican, three-quarters in 1:16⅖; Miss Gove, three-quarters in 1:15; Serbian, mile in 1:42⅖; Frogtown, mile in 1:43⅗; Manokin, mile in 1:43⅖; Stevenson, mile in 1:43⅗; Chick Barkley, three-quarters in 1:18⅘; Black Prince, half mile in 50.

KENTUCKY COMMISSION CLOCKING RULE

The Kentucky Racing Commission's new rule about "clockers" is all right, if the clockers it appoints and their announcements are all right. One of the troubles with past "clocking" has been that it was in the interest of get-the-best-of-it bookmaking coterie. Another trouble was that the clockers of these coteries "held out" on the general racing public. They often "held out," too, on any but special customers. There was a sort of "clocking" trust, not only in Kentucky, but at other tracks. It was operated for itself, was against the general public interest, and ought to have been regulated (kept honest) or abolished long ago. Therefore, the Kentucky Commission's new rule is all right if its working people carry it along the lines of commission's intention.

COLD STOPS NEW YORK TRAINING

Rowe's Plans for the Whitney Derby Horses Puzzling His Friends.

NEW YORK, N. Y., April 25.—A decided change in the weather, the thermometer falling to near the freezing point on Long Island, kept trainers and horses in their beds on the local tracks today. The change was exceedingly sudden and unexpected. Health of the horses was more important than training, consequently nothing was done excepting shed exercise under blankets.

James Rowe left Brookdale yesterday for Pimlico with Vindex and Borrow. No one seems to know what his plans are concerning racing in Kentucky. He is always secretive on such matters until he has fully made up his mind, much depending upon the material he has to race. His taking Vindex to Pimlico would seem to indicate that horse will be his Preakness candidate, and he may be reserving Blue Laddie for the Derby. That is the impression among his friends here.

Larry Carey, who has charge of the horses belonging to the Beverwyck Stable, arrived from Hot Springs today in advance of the horses, which he expects will reach Aqueduct tomorrow.

"We are in good condition for the opening of the New York season and I expect to start Old Koenig in the Paumonok Handicap."

In speaking of Eternal for the Kentucky Derby, Carey said the horse had done everything asked of him, but somehow he thought Billy Kelly was the better horse. "Eternal is fit to run for a man's life," concluded Larry, "but I feel he will be beaten by some other horse. He is practically on edge now, and the race three weeks away. He is a mighty fine horse, but he is meeting a fine horse in Billy Kelly."
